But don't give up that easily either
What about you?

Um...
Can I answer honestly?

Sorry if it were me.
I'd probably keep my distance from them
Don't be scared.
See?
But the guy you like isn't me.
Every one's different
Sorry.
It's fine. It doesn't matter
droop
But I want to give out Valentines Day chocolate.
You think I can get away with just that?

It'll look strange if a guy goes alone to buy chocolate.

Will you come with me?

He said this while his ears turned red

Is he some fair maiden?

Chihiro

Have you decided what you're gonna buy?
Oh, yes.
I just have the gift wrapping ribbon left
Which color do you like?

I don't mind.
but I don't have any tools at home.
Don't worry I'll bring them all

Uh... I don't know when I get my days off
Can we do it on the weekend?
Oh yeah, give me your number
I'll call you when I know what days I have off
Chihiro?
Your number?
Hm?
Um... it's 090...
